ATISR2012

February 10-12, 2012, Taipei, Taiwan

International Conference on Applied and Theoretical Information Systems Research

Sponsored by

Institute of Information Management, National Taipei University

Department of Computer Science & Information Engineering, Tamkang University

The 2012 International Conference on Applied and Theoretical Information Systems Research (ATISR2012) will be held on February 10-12, 2012, in Taipei, Taiwan. This conference provides a forum for researchers and practitioners to exchange research results and share development experiences on information technology, system, and management research.

The upcoming ATISR2012 conference covers, but not limited to the following areas:

Information system

Accounting Information Systems
Cyber Behavior and IS
e-Learning
Emergency Response Information Systems
Enterprise Systems
Human-Computer Interaction
IS Implementation, Adoption and Diffusion
Information Science and Systems
Information Security and Privacy
IS/IT in Healthcare
IT Governance
IT Global Sourcing and Cloud Computing
Service Science
Online Social Networking
Web 2.0 and Data Mining

Information management

Global IT/IS Management
IS/IT Project Management
Business Process Management
Management and Business Intelligence
Electronic Commerce
Management Information System
Web Technology and Management

Information technology

Artificial Intelligence, Neural Networks and Genetic Algorithms
Computer and Information Science
Communication Systems & Networks
Data Mining & Knowledge Discovery
Database, Data Warehousing, Data Engineering
Image, Acoustic, Speech and Signal Processing
Image Processing & Pattern Recognition
Intelligent Agent Technology, Agent Based Systems
Internet Technology and Applications, e-Commerce
Mobile/Wireless Computing
Programming Languages, Compilers, & Operating Systems
Software Engineering and Information Engineering
Technology Education and Training
Technology and Innovation
Visual and Multimedia Computing
Web Engineering & Applications

Special Track on Measurement Scale Development and Validation

Special Track on Social Networking Behavior

Organized by: Academy of Taiwan Information Systems Research (ATISR.)

PUBLICATION OPPORTUNITIES

All submitted papers will be reviewed using the double-blind method. The papers accepted for presentations at the conference will be further evaluated for possible submission to the following journals collaborating with our conference.

The Journal designated to this conference include:

- International Journal of Electronic Commerce Studies (IJECS) (ISSN: 2073-9729)
- Contemporary Management Research (CMR)(ISSN: 1813-5498)
- International Journal of Cyber Society and Education(IJCSE) (ISSN: 1995-6649)

IMPORTANT DATES

Submission Deadline: September 30, 2011

Acceptance Notification: 21 days after submitted

-Manuscripts will be reviewed and accepted in a rolling basis until the deadline.

Registration Deadline: November 30, 2011

Conference Dates: February 10-12, 2012

PAPER FORMAT AND FINAL SUBMISSION

In general, the paper must be prepared the way you want it to appear in the proceedings. Authors could choice to publish their full papers or one page abstracts in the conference proceedings in CD-ROM. All papers must be original and not published anywhere. However, the authors do not need to transfer copyright of papers or abstracts included in the proceedings. This means authors could submit their articles for journals or books after conference.

MANUSCRIPT SUBMISSION

Please submit your manuscript or abstract online to

<https://www.easychair.org/conferences/?conf=atisr2012>

Please check website for more details <http://atisr.org/2012>
