PUBLICATION

Only original and unpublished paper will be considered. The accepted papers will be collected into the ATISR2012 conference proceedings in CD-ROM.

All accepted articles in conference would be published as full papers (15 pages), research notes (6 pages), or extended abstracts (2 pages with abstract, introduction, method, results, and references) in one of the following journals.

[IJECS - International Journal of Electronic Commerce Studies](#)

[IJCSE - International Journal of Cyber Society and Education](#)

Base on manuscript's quality and topic, the committee would assign the appropriate journal and appropriate category (full papers/research notes/extend abstracts) to publish the accepted manuscripts. Authors of accepted papers have the option of publishing or not publishing their papers in the journal assigned by CB2011. If authors choose not to publish their articles in journal, their papers would appear in ATISR2012 proceedings (CD-ROM) only.

Page charges will be waived for journal publication. Nevertheless, authors need to pay the extra page charge if their manuscript is longer than the assigned page quota. The page charge waive is a privilege for registered conference participants only. If authors do not pay the conference registration fee, their papers will not appear in the journals and CD proceedings.

CB2012 registration fee is the same with ATISR2012.
